Additional disclosure notes

Include here any additional disclosures the Council considers necessary to aid the reader's understanding of the accounting statement and/or the annual governance statement

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

1. Expenditure under S137 Local Government Act 1972

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2024-25 was £10.81 per elector.

In 2024-25, the Council made payments totalling £24.89 under section 137. These payments are included within 'Other payments' in the Accounting Statement.

2.

- Annual Governance Statement Line 1 Explanation – due to long-term sickness within the staff team, the planned community consultation did not take place during 2024/25. The Council is currently planning a consultation exercise which will take place during August and September 2025 and then be used to develop a vision and purpose for the Council.
- Annual Governance Statement Line 7 Explanation – the Financial Risk Assessment for 2023/24 was approved by Council on 12/03/2024 (Min 2403-10) and it is recognised that this outside the timeframe for 2024/25. However, due to the staff sickness issues mentioned above it was not possible to complete the assessment for 2024/25 prior to the end of the financial year. It is the Council's view that a sound system of internal control existed during 2024/25 although it is recognised that the risk was not assessed. A Financial Risk Assessment will be reported to Council in September 2025 and a further Assessment in March 2026.

Trust Funds

Trust funds – The Council acts as sole trustee for and is responsible for managing trust fund(s)/assets. We exclude transactions related to these trusts from the Accounting Statement. Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2025 of **Mumbles Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Unqualified

On the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Council have correctly restated their total borrowing figure for the prior year from £1,068,813 to £1,069,813

Although the Council was correct to restate this figure. The Council must make a disclosure when re-stating its figures and make it clear which figures have been re-stated on the annual return.

Annual Governance Statement (AGS)

I draw attention to the negative responses the Council provided in the Annual Governance Statement:

Assertion 1: In exercising its statutory functions, the Council will benefit from having a clear vision for its community that has been developed in partnership / consultation with all sections of the community. Developing this vision will help inform Council plans, budgets and activities to ensure the Council best works with and in the interests of the community.

Further information is provided in the Finance and Governance Toolkit for Community and Town Councils.

Assertion 7: The Accounts and Audit (Wales) Regulations 2014 require the Council to maintain an sound system of internal control to facilitate the effective exercise of its functions and which include arrangements for the management of risk and adequate and effective financial management.

We recommend that the Council:

- reviews its arrangements and the Internal Audit report to identify areas where improvements are needed and
- implements the required improvements on a timely basis

There are no further matters I wish to draw to the Council's attention.
