a - Cliff Face Lighting

A very positive meeting was held with Cabinet Members and Officers from Swansea Council on 11/02/2021 to discuss the proposed Cliff Face Lighting scheme.

Swansea Council has plans to install lighting at a number of landmarks across the City including Oystermouth Castle and would be keen to see the Cliff Lighting go ahead in a single phase with a potential installation in September 2021 subject to planning and environmental issues being resolved. Swansea Council is keen to work with Mumbles Community Council to assist in the delivery of the scheme and other potential schemes within the Mumbles area.

It was identified that there are potential sources of grant funding for the proposed scheme and Swansea Council are happy to provide assistance in accessing the grant funding.

RECOMMEND that Mumbles Community Council works with Swansea Council to deliver the Cliff Lighting scheme and the lighting of other landmarks within the area.
